### Delegate Certification for the Annual General Assembly Meeting

Each club shall elect one delegate to the annual general assembly meeting for each 25 basic members or fraction thereof in good standing. In the event that not all delegates are able to attend, the accredited delegates in attendance from your club shall cast the total vote of the club, dividing the vote as equally as possible between accredited delegates in attendance.

Please list your club delegates and alternate delegates in order of elected preference.

In the event that none of the delegates find it possible to attend, an alternate delegation may be chosen by naming another club to carry your vote. The alternate club shall then cast the total vote for the absent delegates.

Please list below your first and second choice for your alternate delegate vote. **Use a CLUB NAME, NOT an individual's name.**

I, the undersigned Certifying Officer, hereby certify that the above named delegates and alternate club delegations have been elected by the basic membership of our club.
